

Carbon Emission Summary Report

Report Generated On: 2024-09-23 22:01:22

Machine Resources Data

Time Stamp	Air (Totalized)	Water (Totalized)	Energy (kWh)
2024-09-02 15:29:46	10816.0	625.971	9336.4

This report summarizes the carbon emissions based on machine resources data. It includes information on air pressure, water usage, and energy consumption during the machine's operations.
